AUTO STRUCK BY PASSENGER TRAIN

Tragedy Occurs On Private
Crossing Near
Stoller Home

Three persons, including a father and his four-year-old son, were instantly killed at 9:40 a. m. today when a New York Central train struck the automobile in which they were riding at a crossing near North Benton.

The dead are: Arnold Stoller, 50, a farmer of near North Benton; his son, Robert, and a neighbor youth, Walter Gerback, 18, son of Joseph Gerback.

On Private Crossing
The automobile, driven by Stoller, was struck by a south-bound passenger train on a private crossing in the lane leading from the Stoller home to a dirt road which connects with Route 14 at the North Benton railroad station, one-quarter mile away.

The automobile was demolished and the locomotive of the train, which was enroute from Phalanx to Dillonville, was damaged. The train proceeded to Minerva after the accident where the locomotive was to be replaced.

The body of the four-year-old boy, who was believed to have been riding in the back seat of the car, was thrown clear of the car, but the bodies of Stoller and the Gerback youth remained in the wrecked machine which was carried some 400 feet down the tracks after the collision.

Railroad officials said there was no obstruction at or near the crossing. The tracks are located above the road level on a small embankment.

On Way Home
Stoller was returning to his home and had made a left turn into his lane when his car was hit by the train. He had gone to the nearby Gerback farm to get Walter to help him fill his silo.

Stoller had been a resident of the vicinity for a great many years and had traveled over the single set of tracks at the crossing hundreds of times.

The bodies of the three victims were removed to an Alliance funeral home, pending an investigation of the crash by the Portage county coroner.

Stoller leaves his widow, Lena; two daughters, Freda, a student nurse at Alliance City hospital, and Wanda at home, and one son, Herman at home.

The Gerback youth is survived by his father, one sister, Anna, at home, and five brothers, Roy of Chicago and Frank, Carl, Marion and Joseph, Jr., at home.

Driver Leaps As Truck Goes Wild

Donald Dunlap of Mineral Ridge escaped probably serious injury Tuesday morning by jumping from his truck when it got out of control and plunged over a 100-foot embankment on the Lincoln highway near Cannons Mill.

The truck, loaded with eight tons of catfish, became unmanageable when the air line to the brakes broke. The vehicle burst into flames when it landed over the embankment, and was destroyed. State Patrolman R. M. Perry said.

Three Kentucky Brothers Take Law Into Own Hands

The Garr Brothers, Left to Right—Jack, Dr. E. S., and Roy

Three brothers of a slain Kentucky matron, Mrs. Verna Garr Taylor, took justice into their own hands on the eve of the second trial of Brig. Gen. Henry H. Denhardt, her fiancé accused of her slaying and riddled him with bullets as he was walking down the main street of Shelbyville, Ky., to enter his hotel.

JAPAN'S FUTURE PLANS UNKNOWN

Minister Refers To Conflict In Talk At Presbytery Meeting

Discussing the Sino-Japanese conflict, Dr. Howard D. Hannaford, a teacher in the Women's Christian college at Tokyo, Japan, told ministers of the Mahoning presbytery at a meeting at Kinsman last night that "no one can predict how far Japan will go in its invasion of China."

"Even the Japanese themselves do not know how far they will go," he declared.

Emphasizes Missions
Dr. Hannaford, who returned to the United States the latter part of August, emphasized the importance of the board of missions and the necessity of continuing the work.

He pointed out that it was his observation that now, more than ever, the Christians in other parts of the world, particularly in the Orient, need encouragement and support.

As a part of its centennial celebration, the board is raising a million-dollar fund. It was announced that the Mahoning presbytery's share in this endeavor is \$10,400, or 62 cents a member.

Rev. Zolton Irshay presided over the meeting.

Final arrangements were made for the installation of Rev. Robert J. Topping as minister of the Leetonia church. The meeting will be presided over by Rev. R. D. Walther of Salem, installation to take place Friday night of this week.

Banquet Planned
Announcement was made of the annual Men's Fellowship banquet to be held in the First church, Youngstown, on the evening of October 14. Several hundred men of the presbytery will attend. The speaker will be Dr. James E. Detwiler of Chicago.

The 10th anniversary of the Campbell Christian Neighborhood House will be celebrated October 18. Special messages will be brought by Dr. Louis H. Evans of Pittsburgh, and Dr. William P. Shriver of New York City.

Delegates to the presbytery meeting from Salem were Rev. R. D. Walther and Ray A. Newbold.

**Leetonian Faces
Mahoning Jurors**

SEBRING, Sept. 22.—Plea of not guilty to a charge of shooting with intent to wound was entered by Lone Hann, 52, Negro, of Leetonia, when he was given a preliminary hearing in the court of Mayor F. M. Howell yesterday.

Hann was bound over to the grand jury under \$1,000 bond and was committed to the Mahoning county jail.

He was held on an affidavit signed by Miss Willie Mae Hunter, 26, in which she named him as the person who shot her in the hand during an argument at the home of Major Fears in East Alliance Sept. 14.

**Village Awaiting
New Fire Truck**

COLUMBIANA, Sept. 22.—Council at its meeting in the village hall Tuesday night announced that the village's new fire truck, purchased recently from the Stutz Co., will arrive within two weeks.

The truck will be placed in service immediately.

The resurfacing of several streets here is expected to be completed this week, it was announced.

Garr Brothers Ask Bail For Freedom

(By Associated Press)

SHELBYVILLE, Ky., Sept. 22.—The three Garr brothers, who wrote another bloody chapter in the Denhardt-Taylor case—a story that began with romance and wound up with bullets—prepared today to seek freedom from jail on bond.

The trio—Jack, Roy and Dr. E. S. Garr—charged with slaying Brig. Gen. Henry H. Denhardt, who, the commonwealth contended, killed the Garrs' sister, comely Verna Garr Taylor, will claim self-defense, it was indicated by their attorney, J. Ballard Clark of La Grange.

President To Leave Today
For Tour To Seattle
And Back

HYDE PARK, N. Y., Sept. 22.—President Roosevelt ordered his heavy clothes packed today for a whirlwind two-weeks tour to Seattle and back to find out among other things what the country is thinking about administration objectives.

His ten-car special train, equipped with public address apparatus, was ordered to be ready to depart around 4 p. m., eastern standard time.

Will End Oct. 6
Mrs. Roosevelt, a staff of White House secretaries aides, and a score of newspapermen were to accompany him on the trip, which will end either in Washington or Hyde Park October 6 after appearances and informal talks in eight northern and middle western states.

The journey also will include an inspection of many federal projects and a "good neighbor" excursion to British Columbia by destroyer.

Traveling the central route, the train tonight will pass through Buffalo, Cleveland and northern Indiana, and tomorrow through

**Salem Grange Plans
For Special Program**

The social committee of Salem grange will entertain members and friends at a special program and bazaar at the hall at 8:30 p. m. Thursday.

The program will include: Music by Marie Callahan and her all-girl orchestra; acrobatic dancing, Anna Louise Tolp; reading, Mrs. Richard Stamp; vocal duet, Viola Dotson and Dora Snyder; play, "Ann Learns to Drive," Esther Vincent, Wanda Zimmerman and Floyd Sidwell.

He was born at New Middleton Jan. 15, 1908. He graduated from South High school Youngstown and attended Youngstown Business college. He was prominent in youth people's activities of the South side district. Moore was employed as foreman by the Jones and Laughlin Steel Co., Pittsburgh, at the time of his death.

He is survived by his parents; two sisters, Freda at home and Mrs. Ben Taylor of Youngstown; one brother, Laverne at home. Another brother died 12 years ago.

Funeral service will be conducted at 2:30 p. m. Friday at the home of the parents, 63 East Judson ave., Youngstown, in charge of Rev. Paul A. Adams, pastor of the Woodland ave., Lutheran church, Youngstown. Burial will be in Lake park there. Friends may call at the home from 7 to 9 tonight and Thursday evening.

G. O. P. CONSIDERS MID-TERM RALLY

Party Executive Committee To Discuss Plan Tomorrow

(By Associated Press)

WASHINGTON, Sept. 22.—The Republican party geared its national machinery almost to mid-campaign speed today for the congressional elections of 1938—still more than a year away.

The executive committee of the party will meet tomorrow to discuss holding a mid-term convention or conference. A final decision probably will be made at an extraordinary session of the full national committee later in the fall.

Chairman Hamilton disclosed that long before such a meeting had been proposed by former President Hoover, he himself had made a similar suggestion at a meeting of the executive committee last spring. The group referred the subject, next to the next meeting of the national committee.

Already active in rebuilding the Republican machine, Hamilton is trying to get in contact with as many party workers as possible during the next few months. He started yesterday by conferring with the Republican leaders of eight large cities, where onetime Republican majorities have turned Democratic.

He will confer Monday with leaders in the young Republican movement preliminary to a larger conference later. On Sept. 30, he plans a meeting with state finance chairmen.

Either before or after the special meeting of the national committee, the chairman contemplates a tour of the nation to talk with party workers in every region.

Openly forecasting a "substantial" gain for the Republicans in next year's elections, Hamilton is hoping for a swing that once more will give his party a majority in the house.

Man Is Victim Of Gas**

Paul G. Moore, 29, son of Mr. and Mrs. Samuel S. Moore of Youngstown, was found dead in his room at 311 Hakat st., Pittsburgh, where he was employed, Tuesday.

Moore died from accidental carbon monoxide poisoning from fumes from a small gas heater in his room.

He was born at New Middleton Jan. 15, 1908. He graduated from South High school Youngstown and attended Youngstown Business college. He was prominent in youth people's activities of the South side district. Moore was employed as foreman by the Jones and Laughlin Steel Co., Pittsburgh, at the time of his death.

NANKING, Sept. 22.—Less than 48 hours after British and American protests to the Japanese government against unrestricted bombardment of this capital, more than 50 Japanese airplanes twice rained death and destruction from the skies today, killing, wounding or burning to death more than 200 noncombatant Chinese refugees.

Those killed or injured were mostly those who had been too feeble or helpless to join the exodus into the safety of the surrounding countryside.

Fire Sweeps Slum District
Dozens of incendiary bombs and high explosives fell into their wretched straw huts in the Hsaiakwan slum district, between the walled section of the city and the Yangtze river. The huts burned like match boxes.

Many were trapped and burned to death.

Already accustomed to the horrifying results of twelve previous air raids here, this correspondent, who has reported a dozen civil wars, famines and plagues in China, nevertheless was sickened at the sight of women, children and old men, already burned to death or beyond aid.

At many places heaps of dismembered legs, arms and heads were seen.

The odor of burning bodies sickened the stomach and appalled the senses.

Americans Endangered
The lives of 20 Americans, including seven women, were endangered by the bombardments and the screen of fire raised by Chinese anti-aircraft batteries against the raiders.

Despite the American and British protests against bombardment of civilian populations and private property, the most densely populated section of the city was attacked, including the new residential district where the American, Italian, German and Netherlands embassies or legations are situated and

Husband Callers Will Compete In Lisbon Festival

LISBON, Sept. 22.—A husband calling contest will be one of the features planned by the chamber of commerce in connection with a two-day fair starting October 22.

The fair will take the place of the usual Halloween Mardi Gras. Prizes are being offered for baked goods and farm produce. Last year these totaled about \$500 and the awards this year are expected to approximate the same amount.

The husband calling contest is a variation of the more familiar hog-calling competition—also on the program this year. Both events are expected to attract a number of strong-lunged entries.

Plans include a carnival with mechanical amusements and a number of other concessions. Clyde Hadley, president of the chamber of commerce, is in charge.

**Oct. 1 Is Deadline

Motorists in Salem and vicinity have been slow in getting their new driver's licenses, deputy registrars here said today.

With the deadline for securing the licenses set for Oct. 1, only 600 have purchased their permits at the office of the Columbiana County Motor club here, while 700 have secured their licenses from J. Astry, registrar, in the old Citizens bank building.

In addition, 30 chauffeur's permits have been issued by Astry.

Tolerance For New Ideas
Urged By Veterans'
Administrator

(By Associated Press)

NEW YORK, Sept. 22.—Tolerance towards new ideas was urged upon the American Legion today by Brig. Gen. Frank T. Hines, administrator of veterans' affairs and one of the principal speakers at the day's session of the nineteenth annual convention.

"We must remain young in mind and spirit through the full and fair exchange of ideas and by practicing the tolerance of new ones, but ever pointing with pride to the faith we have kept with the fathers of this, the greatest nation on earth," Gen. Hines said.

The 1939 delegates the general addressed were extremely weary after their seventeen-and-a-half hour parade yesterday, and it was a full hour after the scheduled opening before the session got under way in the great Metropolitan Opera House, to which the business meeting had been transferred from Madison Square Garden.

National Commander Harry W. Colmery called the convention to order at 9:14 a. m. (Eastern Standard time).

Hines told the Legionnaires "many conditions signify that unemployment among veterans has been materially reduced during the past year" because of the "intelligent functioning of governmental agencies" and through the efforts of the Legion, as well.

The general told of the progress in federal aid for veterans in the past 15 years.

"At the time of my appointment the veterans bureau was operating under the War Risk Insurance Act, and little more than a year later the World War Veterans Act was passed," he said. "At that time some 183,000 veterans were in receipt of disability compensation, and 81 per cent of these were rated on a temporary basis."

"Today we have more than 355,000 veterans in receipt of disability compensation and 81 per cent of these are rated on a permanent basis rather than temporary."

**Session Arranged
By Pomona Grange**

Pomona grange of Columbiana county will have an all-day session Saturday at Smith grange hall. Following a morning business meeting dinner will be served and in the afternoon grangers will hear a talk by Rev. R. D. Walther, pastor of the Presbyterian church.

The session will observe the 150th anniversary of the Constitution. Special music will be provided by Smith grange and other features will be presented in charge of the Home Economics committee.

Saturday evening Pomona fifth degree team will put on the work at Fairmount grange, Stark county.

On Oct. 2 the Stark Pomona degree team will present fifth degree work at Smith grange.

THREE STREETS TO BE IMPROVED

Members Of City Council
Launch Paving
Program

Plans for paving three streets were drafted tentatively by city council at its regular meeting Tuesday night at city hall.

The councilmen instructed City Engineer F. S. Barckhoff to prepare specifications and estimates and report back at a special meeting of council next Tuesday night.

List Improvements
The proposed street improvements include: S. Ellsworth ave., south from the Pennsylvania railroad right of way to the corporation line.

Prospect st., west from Sharp st., to the corporation line.

Reilly ave., extending south from Reilly school to Franklin st.

Council's streets, alleys and sidewalks committee headed by C. F.

No Left Turns

Motorists have been making left turns at the intersection of East State st., and Lundy ave., within the past several months and not getting arrested for it.

City council's safety committee last night ordered the persons responsible for taking down the "No Left Turns" sign at this intersection to put it back up.

A city ordinance prohibits left turns at that point. Councilman Paul Myers pointed out. The sign was taken down to permit repairs to a signal light and was never replaced.

Police will enforce the order as soon as the warning sign is re-installed.

Zimmerman, recommended the paving of S. Ellsworth ave., declaring it "a necessity."

A resolution to this effect will come before council at its meeting next week.

Councilmen George McArthur and Zimmerman introduced a motion instructing the engineer to submit plans and estimates on paving jobs.

The engineer's estimate of the cost of improving Reilly ave., submitted last night, shows a total property cost of \$1,617 and a total city cost of \$108.

Use Assessment Plan
All three street improvements will be done on an assessment basis, council explained, the city being backed in its action by proper legislation.

In discussing another street problem last night, council was informed by Solicitor Lozier Caplan that a 50-foot strip of ground on Granite st., is part of the street inasmuch as it was dedicated to the city for street purposes some time ago. A resident of that vicinity had sought to annex the land.

MAYOR DECLINES TO BE MEMBER

Believes Body Should Be
Strictly Non-Partisan
Group

Mayor George Harroff said today he will veto the ordinance passed by city council Tuesday night establishing a city planning commission because the measure provides that he and the service director shall be members of the commission.

Although in favor of the planning body, the mayor explained he would rather have the commission composed of five disinterested citizens, rather than three as called for in the ordinance.

"I don't think the mayor, who ever he may be, nor the service director, belong on such a body," Mayor Harroff explained.

The ordinance creating the planning commission was passed by city council at its meeting last night, together with four other ordinances.

Would Regulate Building
The measure was prepared by Solicitor Lozier Caplan after council members two weeks ago expressed themselves in favor of the commission, which, they explained, would be of value in regulating building construction and repair.

The ordinance, approved upon a final motion by Councilmen C. P. Zimmerman and Emmor H. Taylor, provides that the commission shall consist of five members, the mayor, service director and three citizens of the municipality, who shall serve without compensation.

One of the members of the commission will be appointed for a two-year term, another for four years and the third for six. All appointments, subsequently, except in the cases of unexpired terms, will be for six years.

Open Way For Buses
Among the four other ordinances passed by council Tuesday night is one prohibiting parking of automobiles on N. Howard ave., between W. State st., and the Stark Electric tracks. This is done to permit safe passage of large inter-state buses now using this street as a

DOUBLY REASSURED

When they closed their eyes at bedtime Monday night, few Americans lacked fresh assurance of Washington's desire to care for them.

The secretary of agriculture had given them the lineup on the soil conservation program for 1938, by which farm production will be held down and prices held up. That was of interest to all farmers.

City dwellers, too, had been reassured to them. Roosevelt, himself, had spoken reassuringly to them. The government he said, wanted to help them learn to cooperate like country folk. He described a number of things they should do.

"We are all members of one body and the production and consumption of one is related to the production and consumption of the other," said Mr. Roosevelt. "The struggle for democratic government and higher standards of human living goes on alike in city and country."

There's nothing remarkable about this, unless one is old enough to remember the time when the city man and his wife were just a couple of persons named Joe and Josephine. Politicians used to cry 24 hours a day about the plight of farmers, but they couldn't squeeze out a single tear for Joe and Josephine.

Things are different now. Government's going to teach the city mouse to live as harmoniously as the country mouse. In no time at all, the city mouse will be expected to get his cheese from the national treasury, too. So far, that seems to be the principal result of government lessons in cooperation.

THE COMPLETE ANSWER

President Rightmire of Ohio State has made the complete answer to the silly statement that too many children are being educated in this country.

Recalling that William Oxy Thompson used to hear the same thing when he was president of the university, Dr. Rightmire says his predecessor once observed that people who begrudge universal education always refer to somebody else's children.

This should quiet the chime-in chorus which has been active ever since some public speaker on the far side of the Alleghenies got his name in the paper a few weeks ago by saying too many children were being educated. He said education was complicating things by confusing minds that aren't geared high enough to handle it.

It's not the impact of education on low-gear minds that makes trouble, but the inability of low-gear minds to respond to education. This country has plugged along for more than a century and a half on the theory that universal education is good insurance against political instability. It's no Utopia today, but it must be significant that so far it hasn't been necessary to post guards at the border to prevent an exodus.

THROUGHOUT THE WORLD

Fifteen years ago, E. F. Allen of Elyria, founded the International Society for Crippled Children. In succeeding years, his work with the society brought him one of the most touching public nick-names any man ever had—Daddy. Mr. Allen died Monday at the age of 75.

Through the world, boys and girls who had been helped by the organization he founded and directed knew their gratitude should be shared between Daddy Allen and the members of Rotary International who had made the International Society for Crippled Children an effective outlet for their own organization's desire to be helpful.

Perhaps a few lines in honor of a man who helped crippled children because he loved them—a man who made it possible for other men to gratify the same fine instinct—will balance the news of destruction elsewhere in today's newspaper.

THE STARS SAY:

For Thursday, September 23

The planetary configurations for this day are of a highly stimulating if not devastating nature. Either sudden news or the development of plans from afar have important bearing, probably calling for a hurried readjustment of current affairs to embrace new conditions, interests and associations.

Those whose birthday it is are on the eve of a very important year, with much of their future progress, welfare and happiness depending on the sagacity and strategy with which new propositions and adventures are embraced.

A child born on this day may have an eventful and adventurous life due to its yearning for strange places, persons and experiences. Its talents are unusual and may take it to places and associations far from its birthplace. It might write fascinatingly of such exploits.

O. O. McINTYRE

NEW YORK DAY BY DAY

NEW YORK, Sept. 22—They are called "subway fishermen," but their field is not confined to the subway gratings. Indeed, some of the choice fishing areas are in the neighborhood of large department stores. There are several hundred of these strange anglers in the middle section of the metropolis.

Subway fishing in the beginning was a diversion of the small boys—mostly tenement children who came over from the East Side with strings attached to iron bolts upon which were dabs of chewing gum to lower through gratings for dropped coins of passers-by.

It became too profitable for child's play and now it has been taken over almost entirely by older men. They have naturally perfected the art and use a better grade of tools. Their strings are attached to real magnets and they scan the underground through a telescope.

And so on stomachs they stretch out and peer through the sidewalk gratings for many hours a day. They cannot work at night, but are up early for the day's catch. They not only pick up dropped coins, but rings and jewelry, and make a fair living.

Doodling: I have a friend who has found the perfect word to pencil on a telephone pad during a long conversation. It is minimum. And has so many quick strokes up and down that one can fill a pad page in a jiffy. Everyone has a favorite doodling word. Mine is Sandusky, second choice is Orlando.

The hi-li of come-back rubber ball craze which so swept New York early this summer shows how games also move in cycles and how an old idea may be successfully rejuvenated. About the time of the Spanish-American war every youngster in the land had a come-back ball to bounce around. The modern version gave it a paddle and a free lollipop.

A New Yorker does not have to go far from his city to find small town hospitality. Just the other day in George M. Cohan's 5-minutes-from-Broadway, New Rochelle, I had a topping Park avenue lunch for 50 cents—clean, palatable and excellently served. And before I left a pleasant gentleman stopped by the table to say: "I hope you found things all right. We are a little upset today with some carpenter work." I often wonder in passing through New Rochelle why that city has never reared some enduring monument to Clare Briggs, the cartoonist. He lived there for many years and it was there he built his famous home, "Blue Anchor," out of old ship timbers. On the New Rochelle golf course he found many inspirations for his "When a Feller Needs a Friend."

A visit to the Briggs' home was one of the high adventures of formative days. The cartoonist was at the crest of his popularity and I went there with Briggs' long time friend of Chicago days, H. T. Webster. It was New Year's day and a great log fire was crackling, with several sheep dogs snoozing on the big stone hearth. There was a butler in uniform and maids in white caps and aprons with French accents. James Montague, the poet, and Will B. Johnston were there. Also Dig, the cartoonist, and many more of the art world. Briggs, genial and smiling, habited in a tweedy golf outfit, his jaws clamping a half dollar brand of cigar, stood out in my mind as the most successful man I had ever seen allied to my calling.

As an ardent student of nomenclature I have always believed talent will make any name. Oliver Onion, for instance, has a big following in England as a serious writer. The Hollywood producer's slant on names I think is wrong. Dorothy Lamour, to my mind, sounds phoney and I believe is a handicap. So is Anita Louise. And Simone Simon, I imagine, found her name her biggest stumbling block. Most of us like Patsy Kelly, but we also like the across-the-track-sound to her name. ZaSu Pitts does all right, too.

I've always thought if I had a son I would name him Jack, Bill or Mike. If a girl Jane, Susie or Alice. My reactions to names and a study of them is not strange. I spent a boyhood trying to hide from the gang that my real name was Oscar Odd—and failed. Names in youth can make their owners very unhappy. The Harolds and Percivals go through life with an undeserved handicap.

Million New Yorkers Witness Legion Parade

Scene As 250,000 Veterans Marched

Streets of downtown New York radiated color and reverberated with cheers as 1,000,000 Gothamites witnessed the parade of 250,000 staged by the American Legion and Auxiliary. Although it was not a legal holiday, the city closed all municipal offices and schools, swelling the huge crowd of onlookers.

HEALTH

By Dr. Royal S. Copeland
New York City

Contrary to the almost universal belief, "change of life," or "menopause," as the doctors call it, is not always a serious experience. Many women, perhaps the majority, have a gloomy outlook so far as this period of life is concerned. They regard it with a great deal of anxiety if not actually fear.

Let me assure you that it is only a minority of women who have symptoms at the menopause so severe as to require rigid medical treatment. As a matter of fact, the great majority of women have no symptoms at all or they are so mild as to call for very little, if any, treatment.

It is true of course, that a certain percentage of women find this a trying period. For some it may be difficult, and for them it is best they have appropriate medical attention.

More Knowledge

Changes in the glands, or poor functioning of these organs, has always been an important factor. The outlook for such sufferers has long been brightened by the tremendous advances of science. It has long been known that the menopause is accompanied by a lack of ovarian secretion. Recently it has been shown that these changes are due to more than a decline of the activities of the ovary. The secretions of the pituitary, thyroid, adrenal and other of the so-called ductless glands have their influence upon the sex organs and the general health.

By reason of this increased knowledge, it is possible for the physician to do more to promote comfort than was possible before. Sometimes he prescribes the glandular elements coiled from the lower

Difficult and prolonged disturbances at this time of life, so common a quarter of a century ago, can now be avoided.

Symptoms of It

The first sign of change of life is usually certain irregularity in the periods. Ultimately, they completely disappear.

The patient complains of peculiar sensations, usually called "hot flashes." Profuse perspiration may be observed when moving from one room to another of different temperature. Self-consciousness and various nervous symptoms are common during this period. The sufferer notices redness of the face, excessive perspiration and sensitivity of the skin of the neck and chest. The symptoms are likely to be more pronounced at night, producing excessive fatigue and increased nervousness.

It is well for the woman who first suspects a change of life to consult with her physician. If medication is needed, he will prescribe it. As I have indicated, this precaution may not be necessary, but she will be comforted by the simple explanation of the change.

Salem Couple Exchange Vows At Wedding In Newton Falls

The wedding of Miss Juanita Conrad, daughter of Mr. and Mrs. Emerson Conrad of the Damascus rd., and Raymond Starbuck, son of Mr. and Mrs. Lewis C. Starbuck, of R. D. 4, Salem, was solemnized by Rev. R. D. Walter, pastor of the Presbyterian church, last night in Newton Falls.

The ceremony was held at 8 o'clock in the home of Mr. and Mrs. Donald Althouse, 305 Arlington ave. Mrs. Althouse, formerly Virginia Conrad of Salem, is a sister of the

bride, whom she served as matron of honor. Mr. Althouse was best man.

Mary Ellen Althouse, little daughter of Mr. and Mrs. Albert Althouse, and niece of the groom, was flower girl.

The bride wore a lovely white satin gown with short train and short veil. She carried a bouquet of white roses and baby breath.

Mrs. Althouse wore light green tulle and carried Talsman roses tied with chiffon.

Miss Alice Moore was pianist, playing the Mendelssohn "Bridal Chorus."

Mrs. Conrad, mother of the bride, wore a gown of peach lace over tulle and corsage of gardenias. Mrs. Starbuck, the groom's mother, was dressed in green crepe and wore a corsage of gardenias.

Following the ceremony the bride's mother served a buffet lunch at a table attractive with flowers and lighted tapers.

After a wedding trip through the Shenandoah valley Mr. and Mrs. Starbuck will make their home on the Damascus rd.

Guests included: Mrs. Eva Morlan, aunt of the bride, Mr. and Mrs. Lewis Starbuck, Mr. and Mrs. Emerson Conrad and son, Nelson, Mr. and Mrs. George McConnell and son, David, Mr. and Mrs. Albert Althouse, and children Paul and Mary, Mr. and Mrs. Harry Starbuck, Misses Sara, Helen and Edith Starbuck and Elmer Koonitz of Salem; Miss Alice Moore of Canfield and Miss Maxine Macbeth of Newton Falls.

Engagement Is Announced

The engagement of Miss Martha Holderieth and Harold L. Shears was announced last evening when Mrs. Robert Lozier entertained associates of Omega Nu Tau sorority at the home of her mother, Mrs. Gertrude Steele, North Lincoln ave.

Miss Holderieth is the daughter of Mr. and Mrs. John Holderieth of East Sixth st. Her fiancé is the son of Mr. and Mrs. Charles H. Shears of Jennings ave.

The date for the wedding, Oct. 2, was concealed in tiny paper umbrellas which were favors at the table where refreshments were served. Table decorations were in yellow and white.

During the evening Misses Helen Papesch, Mildred Ospeck and Anne Zelle, who attended the national sorority convention last weekend in Dayton, gave interesting reports of the sessions.

WAKE UP YOUR LIVER BILE . . .

Without Calomel — And You'll Jump Out of Bed in the Morning Karin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk, and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else, 25c.

WAKE UP YOUR LIVER BILE . . .

Without Calomel — And You'll Jump Out of Bed in the Morning Karin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk, and the world looks punk.

Laxatives are only makeshifts. A mere bowel movement doesn't get at the cause. It takes those good old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you feel "up and up." Harmless, gentle, yet amazing in making bile flow freely. Ask for Carter's Little Liver Pills by name. Stubbornly refuse anything else, 25c.

Mrs. Verna Taylor

Dr. E. S. Garr

Attorney Rhodes Myers and Brig. Gen. Denhardt

Three brothers of slain Mrs. Verna Garr Taylor took justice into their own hands at Shelbyville, Ky., when they mortally wounded Brig. Gen. Henry H. Denhardt on the eve of his second trial for the murder of Mrs. Taylor, his fiancée, as he walked down the main street of the town with his attorney,

Rodes Myers. The 61-year-old veteran of three wars fell with seven bullets in his body and the three brothers, Dr. E. S. Garr, Roy and Jack Garr, immediately surrendered to police. A deadlocked jury ended the first trial of Denhardt, and he was freed on \$25,000 bond.

CLAIM VICTORY IN DIPLOMACY

Italians Hail Nation's En-
try Into Piracy
Agreement

ROME, Sept. 22.—Italians today hailed the impending Italian-British anti-piracy conference as a sign that Premier Mussolini's demand for Mediterranean parity had been met and they jubilantly chalked up another diplomatic victory for Il Duce.

Responsible sources said they be-
lieved assurances regarding Italy's
Mediterranean position, given to
the British and French charges
d'affaires here by Foreign Minis-
ter Galeazzo Ciano, had overcome
the big obstacle to an "effective"
piracy control agreement.

Meet Soon in Paris
These sources indicated a belief
that political differences could be
threw out successfully when
spokesmen of the three powers get
together soon in Paris, but to Ital-
ians at large it was already a vic-
tory over the Anglo-French diplo-
matic front.

The influence of Italo-German
collaboration came in for its share
of credit in press comment on this
new approach to international ef-
forts to drive pirate submarines,
planes and warcraft from Mediter-
ranean shipping lanes.

Both Italy and Germany, Europe's
major fascist states, stayed away
from the Nyon, Switzerland, con-
ference in which nine nations, led
by France and Britain, assigned
the armed might of Paris and Lon-
don to keep a vigil over the main
sea lanes.

Italy was offered the unimpor-
tant Tyrrhenian sea as a patrol
zone and Germany was offered
nothing. Italy rejected the offer
and demanded patrol parity with
France and Britain—in keeping,
Italy said, with her interests in the
Mediterranean.

Will Visit Hitler
Today's press comment on Italo-
German collaboration was linked
with the government announce-
ment of Mussolini's departure to
Berlin Friday on a visit to Reichs-
fuhrer Hitler.

Italian Fascists also congrat-
ulated themselves that Communist
Russia had been eliminated from
the forthcoming conference of
naval experts at Paris.

said "the question of surveillance
of the Mediterranean today re-

HULL ADVISES REIGN OF LAW

World, He Says, Needs
Return To Belief In
Pledged Word

(By Associated Press)
BOSTON, Sept. 22.—Secretary
Hull pleaded today for an end to
unlicensed force and the return of
a "reign of law" in the world.

The way to this, he asserted in
an address prepared for delivery to
the Boston conference on distribu-
tion, is through world-wide liberal-
ization of trade policies on the
principle of equality of treatment
for all.

"The world needs a return to be-
lief in the pledged word, in a reign
of law rather than unlicensed force,
in the supreme value of human
rights and liberties," the secretary
of state said.

Action Necessary
"It will not do for those nations
which desire peace merely to cry
peace and sit with hands meekly
folded. If peace is to be achieved,
we must build the kind of founda-
tions upon which an enduring
peace can rest."

"We must create the kind of eco-
nomic world future which allows
national populations to maintain
adequate standards of living, and
which encourages men to look for-
ward to achievement in the peace-
ful arts of commerce, invention
and the betterment of living con-
ditions."

Hull warned that prosperity en-
gendered by huge armament ex-
penditures is artificial and tempo-
rary. He said also that policies
of economic nationalism and trade
discrimination practiced by some
nations are in themselves breeders
of war.

Much of the world's economic re-
covery in recent years, he declared,
is not stable and healthy because
it is "connected with war pre-
paredness."

"Dangerous Unsoundness"
"There is dangerous economic
unsoundness today in numerous
commercial countries and world
areas," he said. "x x x at present
armament programs provide activ-
ity and absorb unemployment in
some of the countries where more
productive employment is lacking."

"But the price of isolation and
self-sufficiency and of unproduc-
tive industry is an inevitable low-
ering of the standards of living.
Such a policy contributes to high
political tension, international in-
stability and increasing danger of
war."

He urged other countries to fol-
low the pattern of international
economic co-operation pursued by
the United States in its reciprocal
trade program designed to remove
excessive trade barriers.

Sebring Set To Meet Quakers In Opening Gridiron Game

INVADE REILLY FIELD FRIDAY FOR 1ST GAME

Sebring Positions Left Vacant By Accident Already Filled

Believe it or not, Coach Carl Schroeder's Salem High School Quakers are going to have a mighty tough nut to crack when they open their 1937 football season against a somewhat crippled Sebring High aggregation out at Reilly stadium Friday night.

It might be well to remember that 7 to 0 defeat the Quakers took on the chin last year when mentioning that Sebring is no push-over, even if Coach James Hostettler is missing four veterans who were injured in an automobile accident last week.

The loss of the four regulars, Wade Rittenhouse, Bob Faulkner, Bob Cardinal and Bob Bennett, was undoubtedly a hard blow to Sebring's gridiron hopes, but, regardless, Coach Hostettler is prepared to send a better than average team against the Quakers.

The places that were left vacant by the injured gridriders have already been filled and the rebuilt varsity stacks up on practically even terms with the one Hostettler had at his command before the auto accident robbed him of four regulars.

James Carman, 150-pound junior, who transferred to Sebring last winter after playing with East Liverpool High school reserves in the 1936 season, has been moved into the center position to fill the spot vacated by Cardinal.

The fullback post, where Rittenhouse was slated to carry the mail, has been taken over by James Williams, 165-pounder, who came to Sebring this year from Canfield where he had gained football experience.

Steve Christ and Jack Carding, both of whom saw service as reserves last fall, have been moved into the halfback spots left open by Faulkner and Bennett.

The most encouraging part of Sebring's football picture is the fact that Sonny Campbell, one of the leading stars of the Tri-County league last season, is still around.

A letterman and All-Tri-County choice for two years, Campbell will be back at his old stand at quarterback when Sebring appears here Friday.

Except for the center post, Sebring's forward wall was left untouched by the auto accident. Four lettermen hold down positions in the line. They are Dave Minesinger and Wilmet Schellenberger at tackles, Emil Schneider at end and Dale Beckett at guard.

The other line posts are filled by Bill Miller, end, and Edwin Zepernick, guard.

Sebring was scheduled to open its season last Saturday against Newell, W. Va., but the accident caused the game to be postponed.

No definite date for replaying the game has been set, but arrangements are being made to play it sometime in November when both teams have open dates.

GOLFING'S BEST IN RICH EVENT

Golf Royalty In Search Of Season's Biggest Tourney Prize

BELMONT, Mass., Sept. 22.—A brilliant galaxy of golfing stars tied off at Belmont today for the first qualifying round of the \$12,000 open match play tourney, richest of the season's links purses.

Victory will bring the winner \$3,000 and the runner-up \$2,000.

The field included nine of the victorious U. S. Ryder Cup players, among them Ralph Guldahl, the open champion, and Denny Shute, the two-time P. G. A. titlist.

Darkness probably will fall before the low 150 and ties qualify for tomorrow's second medal round, after which the field will be reduced to 64 for the first round match play.

Shute, Lawson Little and Slammin' Sam Snead were co-favorites. Ranked just behind them were such stars as Guldahl, Henry Picard, Ed Dudley, Jimmy Hines, Ray Mangrum, Johnny Revolta, Tony Manero, Harold (Jug) McSpaden and Byron Nelson.

Twenty six amateurs were entered in the event, to be climaxed by a \$5,000 final next Tuesday, but only Ray Billows of Poughkeepsie, N. Y., runner-up to Johnny Goodman in the recent National amateur, and Burly Joe Lynch of Boston, were regarded as serious threats by the professional delegation.

The first two rounds of match play, on Friday, will be over 18-holes but the remaining matches will be 36-hole affairs.

Cooper's Pitching Wins For Columbus

COLUMBUS, Sept. 22.—Off to a good start with a victory over Milwaukee on Morton Cooper's 3-hit pitching, the Champion Columbus Red Birds slated Johnny Chambers for the mound tonight in the second game of their final American association play-off against the Milwaukee Brewers.

The series winner will meet the International league survivor in the "little world series."

As Nickel Series Looms

As far as these two gentlemen are concerned a "nickel" world series is in the bag. They, Harry Getz, owner of the New York Yankees, and Ed Barrow, business manager of the New York Yankees, during a confab at the world series conference in New York. The Yankees have about clinched the American league title and the Giants are battling down the stretch to grab the National flag.

SALEM GRØDDER ON MOUNT TEAM

Don Greenisen Slated for Varsity Berth With Purple

ALLIANCE, Sept. 22.—Coach Harry Getz of Mount Union College is drilling a squad of 31 players in preparation for the opening game with Adrian College at Adrian, Michigan Saturday.

Getz has the large job of replacing 11 lettermen lost by graduation, six of whom were mentioned on various all-Ohio conference teams last fall. Although there are seven key-men around which to build this year's eleven, the success of the team will depend in large measure upon the manner in which several Sophomores come through.

The six All-Ohio conference players lost via the diploma route were Walter Headley and Howard Parker, tackles; Oscar Andreanni, end; Dick Roberts, center, and Edwin Bucher and John Weiss, backs.

Barring injuries, the seven lettermen from last season will be in the starting lineup when the Purple Riders take the field against Adrian. These are John Neff, center, an Alliance boy; John Smith and Carl Boyd, both from Mingo Junction, at the tackles; Harold Nichols of Carrollton at a guard; Don "Skip" Greenisen of Salem at an end; Ralph Rice of Malvern at one of the halfback posts, and Howard Ziemke of Sandusky at fullback.

Neff was a running mate of Nichols at guard last year, but has been groomed to fill the veteran Robert's place at center. Nichols may also see some action at the pivot position. Ziemke, all-Ohio end last fall, has been put in the backfield to add power to a combination that may prove to be better than average. Greenisen will possibly come in for his share of the backfield work.

Paired at end with Greenisen will be either Dick of Canton, a Junior or Dave Redd, a Sophomore of Alliance. Two tackles slated to see plenty of action are Francis Henry, a Sophomore, and Arthur Muerth, Junior, both from Alliance.

Two boys are after the vacant guard post. They are Ted Ermlich, a Sophomore, of Boardman, and Gerald Jackson, Junior, from Alliance.

Running mates of Rice and Ziemke in the backfield will be John Cabas, New Castle, Pa.; Dick Paxson, Alliance; or Tom Forner, Alliance. All three are Sophomores. Other boys who will get worked as backs are Tom Howells, Mineral Ridge; John Bobick, Cleveland; and Ronald Peeling, Mingo Junction. Howells is a Sophomore, while the latter two are Juniors.

CUYLER TO END BASEBALL DAYS

Reds' Veteran Says He'll Quit After Close Of Present Season

CINCINNATI, Sept. 22.—Left-hander Al Hollingsworth was given the job of hurling the third game of the series today with the Philadelphia Phillies in a battle for seventh place. Clyde Passeau was assigned to the mound for the Philadelphia Phillies in a battle for seventh place.

Hazen (Kiki) Cuyler, who joined the Reds in 1935, was finishing out his 15th and last year in big league baseball today.

The veteran outfielder announced he would retire at the end of this season "while still retaining the friendship of the fans." He said he would be open to a managerial or coaching job.

General Manager Warren Giles left little hope that he could succeed Manager Chuck Dressen, saying that "no player on the Reds' roster will be given consideration."

Cooper's Pitching Wins For Columbus

COLUMBUS, Sept. 22.—Off to a good start with a victory over Milwaukee on Morton Cooper's 3-hit pitching, the Champion Columbus Red Birds slated Johnny Chambers for the mound tonight in the second game of their final American association play-off against the Milwaukee Brewers.

The series winner will meet the International league survivor in the "little world series."

HUSKIES BARK CHALLENGE TO GRIDIRON FOE

Washington Ready Again To Strut Stuff On Pacific Coast

By FRANK GORRIE
SEATTLE, Sept. 22.—The University of Washington Husky is barking gridiron challenges again after going around with its tail between its legs from the whipping it took from the Pittsburgh Panther at the Rose Bowl last New Year's day.

Time and kind words have healed the wounds and the big brute is ready to take on all comers again in defense of the Pacific coast conference championship.

But if you take the trouble to analyze the situation you find some other team has a swell chance to lift the 1937 crown.

Trouble is spelled with eight letters—"reserves."

Despite loss of a whole backfield and three main cogs of the line, however, the first string stacks up as a powerful machine. Coach Jimmy Phelan will admit that.

Washington's 1936 backfield of Logg, Cain, Haines and Novogroski; All-American Guard Max Starcevic. Center John Wiatrak and Tackle Chuck Bond have departed.

"We aren't going to replace those fellows by a country mile," said the coach, "but we have kids who will come through on the first string—no doubt about it. The reserves are something else again—we're awful weak in spots. We have nine games in as many weeks and nine have to have reserve strength with that sort of schedule."

Phelan intimated the Huskies might get into the first division with a struggle if not hit too hard by injuries.

His worries are fullbacks, quarterbacks and tackles to back up the regulars.

Bill Hill, a great Sophomore prospect at fullback, may be kept on the bench all season because of a spring practice injury. That means grooming a Sophomore fullback, Don Thompson, to relieve Al Craver, a touchdown ace.

Another Sophomore, Charles Bechtol, was in line for second-string signal man. An injury got him, and a guard, Frank Garrettson, is being groomed for the spot just in case.

"If Bechtol comes through we might line up a good second backfield combination," said Phelan. "Otherwise I'm afraid to think about it."

The coach is afraid he will find tackles more scarce than touchdowns. Only five are available on a squad of more than 50.

The main backfield will line up Chuck Newton, quarter; Capt. Fritz Washowitz and Jimmie Johnston, halfbacks, and Craver, fullback. Although rated as second-stringers last year, they did more than their share of the work in the climb to the championship.

Washington gets a big test Saturday when it meets the University of Iowa here.

Schedule: Sept. 25, Iowa; Oct. 2, Southern California at Los Angeles; Oct. 9, Oregon State; Oct. 16, Washington State at Pullman; Oct. 22, Stanford; Oct. 30, Idaho; Nov. 6, California at Berkeley; Nov. 13, U. C. L. A.; Nov. 20, Oregon.

AMBERS FIGHTS TO DRAW FANS

Lightweight Defends His Title In Carnival Of Champions

NEW YORK, Sept. 22.—The bout that's going to pack the biggest share of about \$350,000 worth of customers into the Polo Grounds tomorrow night is getting an important place from the gamblers. Promoter Mike Jacobs has dropped it in the "top" spot of the evening, the third act.

Expectations are it will be a real rough-house for 15 rounds if it lasts that long.

Fred Apostoli is favored to trim Marcel Thil, European middleweight, in the night's first feature while Barney Ross is the choice in the second deal over Challenger Cefirino Garcia from the Philippines.

Jack Doyle's money says that Sixto Escobar still will be bantamweight king when he and Harry Jeffra of Baltimore wind up the show.

Record Setter

Joe McCluskey of the New York A. C. is shown setting a new American record of 19 minutes 45.6 seconds for the four-mile run at the Travers Island, N. Y., track meet. Joe's long strides clipped seventeen seconds from the 24-year-old mark set by Hannes Kohlenstein, the first Flying Finn.

IOWA U. FACES TOUGH OPENER

Hawkeyes Meet Pacific Coast Champs In First Game

By WILLIAM WEEKES
CHICAGO, Sept. 22.—He hasn't hollered for sympathy, but Ira T. Tubbs, Iowa's new football coach, might well be doing a little low moaning over the opening day task of his Hawkeyes.

All the Hawkeyes have to do Saturday when they make their bow under their new teacher is tackle the University of Washington, 1936 Pacific Coast conference champions, at Seattle, a job inherited by Tubbs when he succeeded Ossie Solum.

Against the Huskies, rated as no worse than an even bet to retain their league laurels, Tubbs will send a squad which includes 13 lettermen, only five of which were considered regulars on last year's mediocre eleven.

At Minnesota, where Bernie Bierman is preparing to try out the power of his 1937 Golden Gophers against North Dakota State college Saturday, scrimmage was called off yesterday because of 85-degree weather.

Although a long offensive scrimmage produced steady gains by the varsity, Coach Mal Elward was dissatisfied with the work of his Purdue squad in preparation for Saturday's opener with Butler, and Bo McMillin, at Indiana, searched for end talent to round out the line which will start against Centre college this week.

A leg injury suffered by Pete Gales, 205-pound guard, marred a dummy scrimmage session at Ohio State, while Coach Harry Kipke of Michigan, was forced to postpone a scrimmage because of a scarcity of uninjured backs. Wisconsin's squad which tees off against South Dakota State this week, was given a light workout while Coach Harry Stuhldreher took his first look at 168 freshman candidates.

Ohio university plays puzzled Illinois regulars for nearly an hour before a solution was discovered. At Northwestern, Lynn Waldorf moved Jack Major, a halfback, to the blocking back position to bolster his reserve power. Coach Clark Shaughnessy experimented with Sophomores in his line.

RAMS GAIN 1ST WIN OF SEASON

Pass Their Way To Win Over Philadelphia Eagles, 21-3

PHILADELPHIA, Sept. 22.—Philadelphia's Rams have marked up their first victory in the National Professional Football league.

Three well-executed forward passes gave them a 21 to 3 victory last night over the Philadelphia Eagles, a surprising reversal of form since the Detroit Lions spanked the Rams, 28 to 0, only a week and a half ago in their first league start.

Dave Smuckler's 13-yard field goal gave the Eagles a three-point lead in the second quarter which proved short-lived when Bob Snyder, the former Ohio U. star, heaved 13 yards to John Drake who ran the rest of the way.

Two Philadelphia scoring threats were halted in the third and then Snyder tossed another to the former Purdue griddler. Good for 25 yards, it climaxed a 60-yard Ram advance. Snyder added both extra points with placekicks.

A 42-yard forward from Harry Mattos to Joe Keeble, both substitutes, produced the final score in the closing minutes and Mattos, erstwhile St. Mary's footballer, added the final point.

Giants Take Dose Of Cubs' Pennant Winning Medicine

Mixture of Gabby Hartnett and Charley Root Too Much For League Leader to Take

By BILL BONI
The Giants have had a dose of Dr. Charley Grimm's pet medicine—he hopes to call it "the pennant winner"—and they woke up today with a bitter taste in their mouths, a determination to do better and a dwindled to a game and a half.

Dr. Grimm's medicine, the one that has done such wonders for the crotch Cubs on past afternoons, is a well-adjusted mixture of garrulous Gabby Hartnett's war club and smooth-flowing relief pitching by Veteran Charley Root.

The Giants got both yesterday, to the delight of 34,887 Chicago customers and the dismay of Gotham's rooters for a nickel world series.

Garrulous Gabby, he of the wagging tongue and the flailing shillelah, was in his best form. Missing only a homer on his triumphant tour, the big Cub backstop smashed out a triple with the bases loaded, a single that put him in position to score, and a double that drove home the final nail in the Giants' coffin and the final run in the Cubs' 7-5 victory.

While the Cubs and Giants battle the tooth and nail to settle their pennant issue, the Yanks sit still and ease in. When the Tigers split their double-header in Boston yesterday, losing the first, 12-7, to a ten-run Red Sox fifth inning, and winning the second, 4-1, that made it so much simpler for the Ruppert crew to lead.

By winning both games from the Browns today, they can eliminate Detroit from all consideration.

The Yanks and Browns were kept idle yesterday by the American Legion parade that tied up practically everything in New York.

The rest of the big league program saw the Dodgers drop two in St. Louis, 8-5 and 6-3; the Pirates stinging the Bees, 9-2; the Phils losing the opener, 6-3 and win the nightcap from the Reds, 10-1; Wally Moses' 11th inning homer with a man on beat the White Sox, 5-4, for the Athletics, and Johnny Allen of the Indians win his thirteenth straight—he hasn't been beaten—with a 6-3 subjection of the Senators.

That old football trooper, Jeremiah Q. Jinx, took another bow today.

The applause wasn't noticeable—at Ohio State or Case.

For weeks the troublesome gentleman with the handlebar moustache has been flirting with Francis Schmidt's Buckeyes. He almost wrecked the left halfback post. Now it's right tackle.

Charles "Pet" Gales, the 205-pound veteran lineman, hurt his left knee during dummy scrimmage yesterday and was assisted from the field.

Gales will be kept out of uniform if the injured member remains swollen. Team Physician Dr. Walter Duffee said, So Carl Kaplanoff, 210-pounder, is expected to get the call against Texas Christian at Columbus Saturday.

The Horned Frogs, 41 strong, en-train late today, work out at St. Louis tomorrow and hold a final drill in the Buckeye stadium Friday.

Said Texas Christian's Coach Meyer: "We're as ready as we can get in the time we've had. They'll know they've been in a game."

What else about Mr. Jinx? He took a brief time out from his duties at Columbus to run up to Cleveland and meddle with Case's Scientists. Harold Anderson, Junior guard for the Rough Riders, was barred from workouts because of scholastic difficulties.

Coach Ray Ride counted on Anderson to replace Al Speck, a key man lost by graduation. There's little chance Anderson will be available for Saturday's opener against Lehigh, tough in almost anybody's league.

They scrimmaged downstate at Xavier yesterday and Clem Crowe moaned about his end positions for the Transylvania tilt Saturday. Val Boehm of Columbus and Bill Walsh of Chicago impressed him at the halfback slots, the Cincinnati coach found time to say.

Not all is gloom in Ohio, though. Frank Wilson said he'd toss ten Miami U. lettermen in there against Ala. Mich., at Oxford Saturday. The only new man is Gabe Szabo of Middletown.

Joe Carr Resting Well In Hospital

COLUMBUS, Sept. 22.—Attendants at a hospital where Joseph F. Carr is under treatment for a heart ailment reported today that the promotional director of minor league baseball and president of the National Professional Football league was resting well after a "very good" night.

Cleveland—Charley Baxter, 137½, Pittsburgh, knocked out Frankie Flyn, 130½, Batavia, N. Y., (10).

New York—Eddie McGeever, 135½, Scranton, Pa., and Joe Ghrouly, 131½, St. Louis, drew, (8).

Elizabeth, N. J.—Red Cochrane, 139, Elizabeth, stopped Buckey, 140, Jersey City (2).

WASHINGTON—Farm tenancy has been reduced in Ireland from 97 per cent to 3 per cent in the past 70 years, according to the Department of Agriculture. During the past 35 years tenancy in Denmark has been reduced to about 5 per cent.

ELYRIA — Dog Warden Lee Minkler plans to establish a night patrol to track down marauding dogs reported to have been roaming county roads at night, killing sheep and poultry.

HARVARD TEAM ABLE TO COPY HARLOW STYLE

May Be Turning Point In Crimson's Football Picture

By BILL KING
CAMBRIDGE, Mass., Sept. 22.—Coaching friends of Dick Harlow have explained away their orthological colleague's scant success at Harvard by pointing out that he never has had players smart enough to duplicate the intricate maneuvers he maps out while arranging his famous birds' eggs collection during his leisure hours.

But it now appears that bald Richard, who has been injecting football into his non-footballing colleagues' scant success at Harvard by pointing out that he never has had players smart enough to duplicate the intricate maneuvers he maps out while arranging his famous birds' eggs collection during his leisure hours.

"More and more," Dick says, "this football is becoming a game of angles. Power is only a part of it these days and most of the stuff we used five years ago is out of date, for everything is deception and faking now."

"I can promise some interesting Harvard football this fall for the situation is most encouraging and the outlook seems brighter every day. We noticed a great improvement during my first season here and likewise last year. It was even more noticeable during the spring practice and I am convinced we have sound reasons for our optimism as we prepare for our third Harvard season."

Although the Crimson did not win a single major victory in 1936, Brown not being counted because it was much too sub-normal, it did manage to spurt late in the season to tie Princeton 14-14, trail Navy by three touchdowns to two and Yale by only a single point.

Harlow, by some legerdemain, brought his players through the winter without a let-down from their bowl form. When they reported for spring practice, tacking and blocking were as good as ever and they were ready to take up new stuff. A few days ago they stated their regular 1937 practice season much superior in playing experience than they were at any time last fall.

Although the Crimson is going to be a bit lit, as usual, with a squad averaging 180, starting line running about 180, and a backfield 173, the only weakness appears to be in the center of the forward wall, due to the graduations of a durable center and two strong guards.

Harlow's end squad is about as strong as any in the east, Alex Kevorkian looms as one of the game's outstanding tackles, Vernon Struck, starting his third season as regular fullback, is a potential All-American, and there are several of the other 14 backs on this thoroughly seasoned squad who may wake up and find they are national gridiron heroes before snow falls.

The Harvard schedule is exacting and the pressure will probably be terrific four Saturdays in a row. It follows: Oct. 2, Springfield; Oct. 9, Brown; Oct. 16, Navy at Baltimore; Oct. 23, Dartmouth; Nov. 6, Army; Nov. 13, Davidson; Nov. 20, Yale.

Said Texas Christian's Coach Meyer: "We're as ready as we can get in the time we've had. They'll know they've been in a game."

What else about Mr. Jinx? He took a brief time out from his duties at Columbus to run up to Cleveland and meddle with Case's Scientists. Harold Anderson, Junior guard for the Rough Riders, was barred from workouts because of scholastic difficulties.

Duckpin Bowlers To Hold Meeting

A meeting of duckpin bowlers will be held at 8 p. m. Thursday at the Grate Recreation alleys for formation of a City Duckpin league.

Harry Vincent, who has been connected with duckpin bowling for a great many years, will be in charge of the meeting.

All "duck" bowlers interested in joining the league are asked to attend. Six teams have already been lined up for the league, but it is planned to increase the size of the circuit to 12 teams.

Junior Policemen On Job Again Here

Salem's Junior policemen again are on duty in the school areas where they are needed. Nerr Gaunt, policeman in charge of the boys, said today.

The schoolboy patrol is formed from boys of the sixth grade classes. The ones on duty now are those who were trained before the

close of school last year while they were fifth grade pupils.

Patrolman Gaunt estimated that close to 40 boys are members of the Junior Police here.

The "officers" are on duty at McKinley school, Fourth Street school, St. Paul's school and at the intersection of S. Lincoln ave. and Franklin ave., which is considered a dangerous crossing for Reilly school pupils.

Packs 'Heavies' For 2-Week Trip
President To Leave Today For Tour To Seattle And Back

(Continued from page 1.)

Chicago and southern Iowa. No appearances will be made, however, until the train reaches Cheyenne, Wyo., Friday morning.

The president scheduled a pre-departure conference with John D. Biggers, of Toledo, recently appointed to direct the jobless census, and officials said it was likely plans for the unemployment count would be announced after this meeting. Biggers was due before luncheon.

Another forenoon caller was John Montgomery, minister to Hungary.

At a press conference at the summer white house late yesterday, the President advised the newspaper men to take along their "heavies" on the 6,000 mile swing because of the cold northwest nights. He had in mind particularly the reports of snow in Yellowstone park where he will spend Saturday and Sunday sight seeing.

The press conference developed no comment on the charges that Associate Justice Hugo L. Black is a member of the Ku Klux Klan. Officials did say, however, that Black, returning from a European vacation, had not communicated with the President since the charges were published over a week ago.

Alliance Woman, 46, Is Held In Shooting

ALLIANCE, Sept. 22. — Harry Hamlin, 41, of 1420 E. Front st. sustained serious wounds in the left hip, left hand and thumb when his wife shot him three times during a quarrel at their home Monday night, according to police reports.

Mary Boon Hamlin, 46, was arrested on a charge of shooting with intent to kill. Hamlin's condition is "fair" this morning at City hospital.

Truck Kills Child

ZANESVILLE, Sept. 22. — Police Chief Herb Timberley said he would file manslaughter charges today against Santo Anello, driver of a truck which struck and killed 7-year-old Ruth MacFarren as she left a school building here yesterday.

also the homes of virtually all American and foreign residents.

Thirty sections of the capital were bombed, with an average of three bombs for each spot. The stations of two of China's most important railways, the Shanghai-Nanking and Tientsin-Pukow lines, were bombed. These stations are near where American, British, French, and Italian warships are anchored in the Yangtze. Many additional casualties resulted in this area.

If the Japanese aviators were directing their attack principally against government buildings and military barracks, they failed. Not one of these points was seriously damaged.

Chinese claimed to have brought down four of the Japanese raiders.

Ambassador Moves Back
Despite the air raids, United States Ambassador Nelson T. Johnson and his staff returned to night to the embassy from the American patrol boat Luzon, aboard which they had taken refuge since Tuesday.

Johnson indicated he is ready to remain at the capital, notwithstanding today's air raids. Chinese officials expressed extreme gratification, and Americans here assumed the ambassador had received instructions to return, from Washington.

The American embassy barely escaped damage today. One Chinese shell, aimed at the raiding warplanes, blasted a gaping hole nearby. Shell fragments splattered sickeningly against the gate house of the embassy compound.

Many of the projectiles were 500-pound demolition bombs which gouged great craters in the new residential district.

In the last raid, at 1:50 p. m., the Japanese planes dived over at a great height because of the serious damage they had previously suffered from the Chinese pursuit planes. They dropped their bombs from an estimated altitude of two miles.

Instantly the capital's anti-aircraft defenses which are among the best in the world, stabbed the heavens with countless shells and forced the Japanese planes to return to their bases at Shanghai where the Japanese land advance was held up by determined Chinese resistance.

FHA OFFICE HERE CLOSES

Discontinuance of Postoffice Headquarters Will Be Effective Sept. 30

Discontinuance on Sept. 30 of the WPA better housing information office that has been established in Salem for some time past at the postoffice, second floor, in co-operation with the Federal Housing Administration, will in no way affect the FHA insured mortgage services in this city or district, it was announced today by M. S. Stacy of the Lisbon road, supervisor here.

"The closing of the better housing project throughout the state is merely in line with the government's policy of general retrenchment in Works Progress expenditures wherever possible, and will in no way affect the availability of the insured mortgage plan of the Federal Housing Administration for all who desire it," Stacy said.

"The workers on the WPA federal housing project," he continued, "have contributed a valuable auxiliary service in acquainting the public with the details of the FHA plan of providing a safe and economical method of home building, purchasing and refinancing for persons of moderate incomes."

"Now that the auxiliary WPA service is to be discontinued, persons interested in the insured mortgage system may obtain full information by applying at the local banks, building and loan associations, or other leading institutions that have been approved as mortgagees under the FHA plan, or by communicating direct with the district Federal Housing Administration office."

\$10 Per Hit

CHARLESTON, W. Va. — Throwing rocks at fish here costs \$10 — if you hit the fish.

James L. Tickle paid that amount at a hearing before Magistrate Edwin S. Walston.

Witnesses testified Tickle struck a 35-pound catfish with a five-pound rock and then waded into the water and brought out the fish.

Course Extended

BOWLING GREEN, Sept. 22. — Bowling Green State university no longer will offer its once popular two-year course in elementary education, President R. E. Offenhauer announced today. After this year, a four-year course will be installed because of a new state law requiring a four-year degree for elementary grade teachers.

O. K. Mayor's Veto

EAST LIVERPOOL, Sept. 22. — Mayor O. Earl Greenawalt won the first round in a direct relief battle here last night, after city council voted to "sustain" his veto of its own legislation abolishing the jobs of three \$90-a-month welfare investigators.

Theater Attractions

John Boles and Barbara Stanwyck, co-stars of "Stella Dallas", at the State Thursday through Saturday.

"Stella Dallas," which shows at the State theater Thursday, Friday and Saturday, stars Barbara Stanwyck in the drama of a mother who sacrifices her own right to happiness for the sake of her daughter.

It is said to give Miss Stanwyck the strongest role in her career and offers young Anne Shirley her best opportunity to become a great actress.

Boles Is Co-Star

John Boles co-stars with Miss Stanwyck, with a supporting cast which includes Alan Hale, Barbara O'Neil, Al Shean and Tim Holt, son of Jack Holt.

"Stella Dallas" is one of the most poignant stories ever filmed. It was originally a best selling novel by Olive Higgins Prouty, later a success on the Broadway stage and, as a silent picture produced 12

years ago, scored a sensational hit. It brought screen fame to many when it was originally produced by Goldwyn in the silent version late in 1925.

It was then directed by Henry King, who only recently received new acclaim for his direction of "Lloyds of London."

Elevates Belle Bennett

Belle Bennett, an unknown stock company actress, was "discovered" by Goldwyn for "Stella Dallas" in 1925, and leaped to immediate fame. Ronald Colman, then just starting, became prominent through this picture. In it Douglas Fairbanks, Jr., played his first grown-up role; Constance Bennett made her first important picture appearance; Lois Moran made her screen debut, having been "discovered" by Goldwyn for this picture; Alice Joyce became a star following its release, and the cast also included Winston Miller, brother of Patsy Ruth Miller, now a film writer, and Maurice Murphy, then a child actor but now a well-known leading man.

"Dance, Charlie, Dance," featuring Stuart Erwin, Jean Muir, Allen Jenkins and Glenda Farrell, concludes tonight at the State.

"She's No Lady," featuring Ann Dvorak and John Trent, and Joe E. Brown's "Riding On Air" show tonight and Thursday at the Grand.

means of avoiding the downtown district.

Annual vacations of two weeks for engineers and firemen of the waterworks department are provided in another ordinance approved by council. This measure, passed upon a final motion by Members A. P. Morris and George Lewis, stipulates that the vacations be taken without additional cost to the city.

Another measure authorized Auditor Karl Webster to transfer \$132.02 from the general fund to the workmen's compensation poor relief insurance.

The final ordinance authorized the auditor to transfer \$516.03 from the general fund to the safety fund to take care of police payroll.

Councilman George McArdor's request for a street light on South ave., near Euclid st., was approved. A request for the city to allow the Deming Co. to dig and haul 50 tons of clay from city property at the rate of \$1 a ton was given the official okay when council approved an affirmative motion by Councilmen George McArdor and C. F. Zipfmerman.

A petition signed by 16 residents of the N. Ellsworth ave.—Fourth and Fifth street area, asked council to do whatever is possible to abate what the petition termed a smoke nuisance. The smoke in question, the petition said, issued from a creamery company stack.

Alliance Man To Start Life Term

ALLIANCE, Sept. 22.—William A. Phillmore, 23, of Alliance was taken to Columbus yesterday to begin a life term in the state penitentiary for burglary of an inhabited dwelling.

Phillmore was given the maximum penalty by Common Pleas Judge J. L. Floyd after he had pleaded guilty to a charge of breaking into the home of J. J. Robertson here last Aug. 6 taking more than \$100 from a desk.

Lisbon Organizes Schoolboy Patrol

LISBON, Sept. 22.—Twenty-four Lisbon school boys have been appointed members of a school patrol, organized here several years ago to safeguard children crossing streets on their way to and from their classes.

Each of the village's two elementary schools furnished a dozen boys for the work. Members will work in units and two will be on duty before and after school in each of three danger zones.

Patrol members have been supplied with belts and badges as well as a long staffed flag. Equipment was donated by the Columbiana County Automobile association through Albert Morris, manager. Signs warning motorists to slacken speed have been placed in front of the school building.
